

# Initial Evaluation

## Dec 1: Initial Referral

\* Check this to see what the concerns are. Student must have a passed hearing screen (typically done while student is in Rtl). Check the file for any information (e.g. Rtl documents - like the social/developmental history form) that may be helpful.

## Dec 2: Informed Consent

\* Guardian signs that it is ok to move forward with evaluations (as noted on the form). This starts your 90 day timeline - get that screening/evaluation started!

## Dec 3: Summary of Evaluation Results

\* You must add your evaluation results BEFORE the meeting (using the worksheet for the area of eligibility that is being considered). The team will meet to review these results and determine if student is eligible for IEP. You will present your findings at this meeting.

## Dec 4: IEP

\* If team finds student eligible for IEP, and student requires speech and language services to meet goals, then IEP is drafted
